Bring a mosquito coil in case it is necessary.

- (6) All participants will be picked up from Madhya Kailash (just outside the railway station on the Old Mahabalipuram road) which is approximately 14 kms from Chennai Central/Egmore station. Please check the AFS website on CMI homepage website to have an idea how to get to Madhya Kailash.

From Chennai Station, there are pre-paid taxis (called call taxis) and autos. It maybe approximately Rs 120/- for auto and Rs. 225/- for a call taxi (the pre-paid taxi). In case there the prepaid taxis/auto is closed then you will have to take a taxi/auto from the station where you will have to bargain the price. You can get together at the station and maybe 3 of you can share the auto.

From Egmore there are no pre-paid autos. But please ensure that you don't pay more than Rs. 120/-.

Note that autos don't move by meter. One has to bargain and fix the price in advance. Most auto divers understand (broken) English other than Tamil. Mention clearly to that auto/taxi that they have to drop you just outside the railway station on the Old Mahabalipuram road.
