

Almora Mathematical Surveys

A National Mathematics Year Event

Centre for Excellence in Mathematical Sciences

Kumaun University, Almora (Uttarakhand)

3-6 October 2012

<p>Almora Mathematical Surveys will bring together leading mathematicians and young researchers to learn about important developments in several areas of mathematics.</p> <p>This symposium, which is envisaged to be an annual event, will also provide an opportunity to young researchers to showcase their latest research.</p> <p>The 15 survey lectures in the symposium will cover broad areas of analysis, Lie groups, number theory, partial differential equations and topology.</p> <p>On this occasion, the Centre for Excellence in Mathematical Sciences (CEMS), established by the Uttarakhand Council of Science and Technology (UCOST) located in the Almora campus of Kumaun University, will be formally inaugurated.</p> <p>Young researchers who wish to present papers in poster sessions are required to register at the site www.atmschools.org</p> <p>Deadline for online applications : July 15, 2012.</p> <p>The authors of the papers selected for poster presentations will be informed by</p> <p>20 July 2012.</p>	<h3>Invited Speakers</h3> <table><tr><td>S.
